

Matthew Robert Elliott

October 18, 1984 - January 17, 2019

Matthew Robert Elliott, age 34, passed from this earthly life on Thursday, January 17, 2019. Matt was an intelligent, handsome kid with a great sense of humor. He was blessed with the gifts of leadership and athleticism. He loved music, sports (especially baseball), and any living creature. He truly delighted in God's creation, constantly taking notice of an interesting insect or a lost cat. He loved playing video games and had friends across the globe with whom he interacted regularly. While he may have struggled heavily with his own sadness, bright glimpses of his tender heart would regularly make an appearance. He cared deeply for his niece and nephews, and would often help out those less fortunate.

Matt was born Thursday, October 18, 1984, in Houston, Texas, to parents Glen and Robin Elliott, the oldest of three siblings. He is survived by both Glen and Robin, brother Kristopher Elliott of Tulsa, sister Rachel Archer and husband Colton of Fort Gibson, nephews Carter and Jonathan Archer, and niece Juliet Archer. Surviving grandparents are Linda and Jerry Greenwood of Oklahoma City, Shirley Elliott of Tahlequah, and Joe and Bonnie Riddle of Okeechobee, Florida. Matt is also survived by numerous aunts, uncles, cousins and many friends.

Matt is preceded in death by grandparents Jack and Helen Day of Pawnee, and Donald Elliott of Concord, California.

Matthew will be greatly missed by many. Godspeed my son, you are finally free.

A memorial service will be held 11:00AM Monday, January 21, 2019 at the Fort Gibson Church of Christ with Ministers Steve Parker and Dan Rouse officiating.

“ *I am forever better for having known Matt. He was loved by so many people. He taught me how to not worry about what other people thought and to just live my best life, to do what made me happy. He was a free spirit and refused to conform to the mold. His humor and light left this world a better place. I will miss him so much, but will carry that light and love with me for the rest of my life.*

“ *I met Matt in an online game called Halo 5 through our good friend Alex. As days, weeks, months went on, Matt easily became a really good friend. Matt and I didn't talk much outside of the game but when we played together, we all had a great time. Matt was a fantastic and wholesome person, and ill never forget him and all the memories we had together. We love you LordBro*

“ *Matt and I became friends since the first time we played Halo in a random game 5 years go. Ever since that day, we kept in touch on a daily basis talking about each other's life adventures. Problems, decisions, moments to enjoy, whatever the case was, we were there for each other at a click of a button. We were so much closer in our own little online world than most people are in real life. I will always have a special place in my heart for my boy, my friend, my brother. He will be missed but I will definitely never forget my friend Matt (LordBro).*
