“ Well, I came in contact with this young lady at Ez Mart and so I seen her about every other day our conversation always included our Lord and savior only a few short weeks after meeting her she disappeared, and when I seen her come back, she said she had had brain surgery. I immediately prayed with her. I felt connection through the Holy Spirit every time I walked in the store, I've been asking where she was well today I finally ran into the right person told me she passed a month ago so Melanie, I have no doubt. I'll see you in Glory. I know how much you loved your kids. And your love for the Lord was apparent. Thank you for being an inspiration in my life.
