

Michael Wayne 'Mike' Chewey

December 21, 1963 - February 13, 2024

Michael Wayne 'Mike' Chewey, 60, of Fort Gibson, was born December 21, 1963 in Albuquerque, New Mexico to Henry Lester and Billie Dillina (Nail) Chewey with the blessing of his biological mother, Evelyn Chewey-Cherino and peacefully passed away Tuesday, February 13, 2024 in Fort Gibson with his loving family by his bedside.

On most beautiful days, you could find Mike either on the golf course or on the bank of the river fishing. He was always up for a good adventure. Mike loved taking trips to New Mexico to visit family and eating at The Big Texan. He and his sister had many long talks together while he was there. Mike was a huge sports fan. He cheered on the Oklahoma Sooners, the Dallas Cowboys, the Chicago Cubs baseball team, and his most favorite team, the Hilldale Hornets, where his grandkids played sports, rarely missing a game. Mike also enjoyed watching Dirt Track racing and NASCAR. He loved air shows. He loved music of all genres and going to concerts. Mike loved to travel to Colorado to hunt and he was a big movie buff. His favorite was Ground Hog Day. He could be found in the Beacon Drive-Inn enjoying a good burger and onion rings. Mike's greatest passion was spending time with family and his treasured grandkids. Mike will be missed by all who knew and loved him.

Mike is preceded in death by his parents, Henry and Billie Chewey; his birth mother, Evelyn Cherino; sister, Lynette Jaramillo; and his long-time friends, Bradley and Terry.

“ I met Mike when I was about 15 years old during the summertime when he would come to Isleta and visit his momma Ev and family, about 1988. Mike was always laughing and having a good time time. I'm so glad that I was able to visit with you when you came to NM last summer, had I known it was gonna be the last time I might have visited a little longer. Mike, I'm gonna miss hearing your laugh, it reminded me of Momma Ev. Rest in paradise. Love, Helen and the Baca family.

“ Mike and I were just kids eight out of high-school when we started our journey together in this crazy thing we call life. In all the years we were married, the best thing we ever did, was to have 2 beautiful kids together, Michael and Becky. And from our son, we were blessed with 2 beautiful grandkids, Micah and Mia that we both loved with everything we have. Even though we went our separate directions in that journey, we always came back together to celebrate our kids and grandkids milestones and accomplishments. Mike was a wonderful Papa and our 2 grandkids adored him. He will be greatly missed by those that knew and loved him. May he RIP.

“ Mike and I have been brothers since 1969. He has been the friend that I have been in the most continuous contact with for the past 55-years. We laughed, loved, and cried together. We got broken and healed together. Our love for music was a constant shared love for us. We were in Cub Scouts, band, and almost every class together. The years after high school took us apart physically, but our hearts were never apart. We were always connected. We got together as often as we could when I returned to Oklahoma and began and ended where we left off. Brothers.

“ *I met Mike in 1999, when we both were working for REDA (Schlumberger), we soon became good friends. In the fall of 2002, we travelled to College Station, TX to watch the Sooners play A&M in football, Sooners lost but we had a blast. He never called me by a single name, is was always either, "Jay Wallace" or "Big Jay Wallace". He will be missed, and I will see you again one day, Chewey !!*

*Prayers for all of his family,
Jay Wallace*
