“ I met Nancy eight years ago when she started coming to church with us. She was absolutely the most loving, giving, joyful, helping person I know. She did not care who you were, how much money you made, what you looked like; she would give you the shirt off her back if she thought you needed it! She loved everyone! But she also made it clear her heart was captivated by Jesus! Even in all her physical battles, She never one time questioned or accused the Lord. Even when mistreated by others, she never spoke ill of the people mistreating her. She was an AMAZING WOMAN of GOD, mother, Nana, sister to Bonnie, daughter to her parents and friend to us!! Heaven is richer today because of her, she will be greatly missed here on earth! Jesus is coming soon, be ready Nancy is waiting to meet us at Heavens gate! Thoughts, Love and Prayers for her family.
