“ *Hello Dave and family,
I remember Jeannie with such fondness. She and Billie were my late husband Rod's first cousins. Through the years she was always so kind and sweet. And after Rod's death in 1997, I moved to Texas and she and Dave came down and visited us then, about in 2000; before we got into our home that was being built. She will be fondly remembered. My deepest sympathy,*

“ *I first met Jeannie over 40 years ago, first as a Navy wife and then as a co-worker in a local bank. Our friendship lasted these many years because of her outreach, letters, phone calls, emails, visits, laughter and tears shared. I treasure those memories.*

Dave, thanks for sharing the love of your life with us.

“ Dear Dave and boys,
Saying goodbye to Jeannie is painful for you , me, and anyone who knew her. She is one of my oldest friends dating back to 8th or 9th grade in Cherokee, Iowa. We managed to keep in touch through all these years of school, marriage, children and work. I will miss her laughter, frequent emails, positive outlook, friendship and our visits and class reunions over these many years. My thoughts, prayers and most sincere sympathy to each of you.

“ Jeannie was a friend of mine for many years. She was always a delight to be around, always pleasant and enjoyable. We spent many happy times at the Gore Tea Room. She loved staying in good physical shape, walking and swimming. She was always willing to help others, whether it was the American Legion, the Auxiliary, the church, the school, or friends; she could be counted on to do her best. She will be missed by many. Prayers and many thoughts to her family.

Jeannie was truly my "lion-hearted" friend! At a Cherokee class reunion years ago, six of us formed the "Sisterhood", and I think it's safe to say we loved having Jeannie at the helm. With emails blazing, and frequent phone calls, we soon resurrected the high school bond. Jeannie, being a voracious reader, shared her insights into great reads - (and some not so great!) If any had a problem, she was our "go-to" gal. Everyone should be fortunate enough to have such a friend, tried and true. We say good-bye to Jeannie with love and heavy hearts! jody thompson & alan

To the Davis family ~~

Please allow me to express sincere sympathies to you on the death of Jeannie Davis. While I never had the pleasure of meeting her, we talked over the phone and emailed a number of times on the Braggs History Project and the Braggs Veterans Park.

She was always most pleasant and generous in her willingness to help and share information.

As a military wife and mother, she was a great supporter of the Braggs Veterans Park. She was rightfully so very proud of the military members of her own family and those of the Braggs community.

With deepest sympathies ~~

I will always remember Jeannie with joy in my heart. We were high school classmates and e mailed each other regularly. We would exchange books to read and she helped me through many rough spots. I always felt that she was that light at the end of the tunnel. I know her light shined for many of us..My deepest sympathy. Norma Pinkerton
