“ *Patty was passionate about raising her children right. She was very outspoken if she thought something wasn't right. She loved entertaining. She was "The One" who reached out to us when we moved to Fort Gibson. Although we hadn't spoken in years, I have kept up with her and her family through Facebook. She will be truly missed.*

My hope for the family is that they can find strength and love in each other and come together to celebrate Patty's life and remember how much she truly loved her family.
