“ I will always remember my baby brother for his huge heart and his unconditional love...Raymond always had time for his big "sissy" and til he took his last breath, no matter the circumstances, he would've been there if I needed him. I shared the photo of the rose b/c he sent a valentine flower just to surprise me at school. I shared these younger photos because they reflect what I see when I close my eyes...or think of him! I still see that ornery, sweet little boy whom I loved so much!! So, no matter what version you knew about Raymond, know that THIS little guy is who he was, truly! I love you Bud, and I miss you too much!!! -Janna (Thornhill) Torix \*Sis\*

“ Can't help but remember LTC time at Fort Gibson Church and my time with Raymond.  
He was such an energetic kid and was always disappearing to the point that all the adult sponsors coined the phrase "where is Raymond"

Condolences to the family  
Love you

Thank you, Johnny! I smiled when I read this...I remember that so well --even thinking they needed T-shirts that said, "Where's Raymond?!"
