

Sandra Kay Conn

August 7, 1953 - January 11, 2024

Sandra Kay (Smith) Mosteller-Conn, 70, of Muskogee, was born August 7, 1953, in Muskogee to William Thomas Smith and Gussie Maud Church. Sandra met her Lord and Savior, Jesus Christ, on Thursday, January 11, 2024, at home with her loving family by her side after a long and courageous battle with cancer.

Sandra spent her entire life in the Fort Gibson and Muskogee area. She received her education at Fort Gibson High School, graduating with the Class of 1971. Sandra was employed as an Office Manager for Dr. Dwayne Atwell, where she would go on to retire. She enjoyed making people smile with her “giggle of the day” Facebook posts, watching the OKC Thunder, tending to her houseplants, creating things for people with her vinyl machine, and researching genealogy. She attended First United Methodist Church of Fort Gibson, where she was passionate in her faith and especially enjoyed her Sunday School class. Sandra fiercely loved her family and cherished the time she spent with them. She will be dearly missed, but her memories will be cherished by family and friends. Sandra’s favorite bible verse was Psalm 46:10 reads, “Be still and know that I am God.”

Sandra is preceded in death by her parents, William Smith and Gussie Church; and siblings, Hershel (Bill) Smith, Betty Nail, David Smith, and Kenneth Smith.

She is lovingly survived by her son, Chet Mosteller and wife Jessica; daughter, Amy Clinkenbeard and husband Jeremy; grandchildren, Braden Mosteller and wife Katie, Cameron Mosteller and wife Makenzie, Perri Mosteller, Jace Clinkenbeard, Cade Clinkenbeard, and Jake, Levi and Aleya Rankins; great-grandchildren, Boone, Maverick and Daisy Mosteller, and Lane and Rylie Mosteller; brother, Leroy Smith, sisters, Ruth O’Dell, Mary Ballard, Iva Morton, Thelma Harris, Velma Crittenden; special friend and sister, Midge Blue; and loyal companion Remi; numerous nieces, nephews, cousins, extended family and many friends.

The family would like to extend a sincere gratitude to Rivercross Healthcare, especially her nurse, Linda Milton.

A celebration of Sandra’s life will be held 10AM Thursday, January 18, 2024, at Clifford D Garrett Family Funeral Home and Crematory Chapel in Muskogee with Reverend Don Griffin officiating. Braden Mosteller, Cameron Mosteller, Jace Clinkenbeard, Cade Clinkenbeard, Boone Mosteller, and Maverick Mosteller will be serving as casket bearers.

Committal prayers and interment will follow at Fort Gibson's Citizens Cemetery.

“ Aunt Sandra, is going to missed beyond belief. I still can't believe this has happened. I am so thankful she was always always in my corner, cheering me on, and my kids and grand kids. I have so many memories of Amy and I playing as young girls @ her house & one of my favorite memories is playing dress up in all her beautiful clothes. I could have went to her for anything. A huge hole is left where she should be. I hope she is dancing with the angels.

I have so many fond memories of Sandra and me growing up, we were close. We would go to work with grandpa and run all over downtown Muskogee. Granny would give me money to spend and tell me not to say anything to the other grand kids cause she didn't have money to give them. We had to be back at grandpa's work at at noon so we could go to Granny and grandpa Smith's for lunch. Then back to work and running around town till time to go home.
We would also go with Uncle David on his laundry route, what fun that was. Sandra was a special aunt to me, after all we were just six months apart in age. I love you so much!

“ *Sandra was my beautiful cousin that I have a lot of memories of playing at family reunions, and at Grandma and Grandpas, playing on the back of a truck at their house, and she was always so sweet and beautiful. She amazed me the way she smiled so sweet right to the end! I only met Midge once, but I could tell just from meeting her that they had a special friendship. Thank you to Midge for all the love and care you gave her! Love and prayers for Chet and Amy, Midge, Remy, and all of her loved ones. I know she is in a better place, but will be greatly missed! 💕*

“ Beautiful blonde hair, framing a lovely face with sparkling eyes and a glowing “peaches and cream” complexion are visions of Sandra, a childhood friend and classmate, that I fondly remember. I appreciated her sweet kindness, soft voice and ever-present, radiant smile that will remain with me when thinking of her. Sandra was the kind of friend who naturally drew others near, as she was so fun-loving, easy-going, genuinely authentic and good-natured. We were lucky growing up together in those carefree and simpler times, enhanced by exceptional teachers, involved and watchful parents/relatives and familiar folks who all helped us “grow up a bit” inspiring, encouraging and then gently nudging us into adulthood. Even though I rarely saw her after those earlier days, I can very easily imagine the mother, grandmother, friend, co-worker she became and the many contributions, abundant joy and loving connections that followed her throughout life. Hoping all those who knew her best and loved her most can now imagine and remember the comforting peace and soothing warmth of her beautiful smile. With deepest heartfelt sympathies, Carolyn Cahoon Watts

“ Our friendship spanned over many years. You were with me during my happiest times and my darkest days. We have shared so many memories. I was heartbroken to watch you suffer and would not want to see you go through that pain again and now I am heartbroken because I will not be able to call and chat, asking for your opinion or just being silly together. I will miss you terribly “all the live long days”. I will always love you my sweet friend but this is not goodbye just see you later!

“ We had a friendship that spanned over many years. You were with me in my happiest times and my darkest days. So many shared memories. It broke my heart to see you suffer each day and I would never want that for you again and now I'm heartbroken because I'll not be able to pick up the phone and chat or ask for your advice or just be silly together. I will miss you every “live long” day! I'll always love you my friend. Not goodbye...see you later.

“ You always talked about dad coming to pick you up and y'all would be gone all day on the motorcycle. I think he loved it as much as you did❤️. He loved you so much, and would be so heartbroken had he been here to see you get so sick and he couldn't do anything about it. I bet yall are on some grand motorcycle ride now!! We love you so much!❤️ The world has lost some of its shine since you went away, but we know you're smiling down on us and watching over us with all the loved ones we've lost beside you. Heaven needed another bright light and boy did it ever get brighter since you arrived. Tell mom and dad we love and miss them. Give Tawni a big hug from her AINT Kim and thank you for loving each and everyone of us the way you did. You will be missed, never forgotten. This isn't goodbye it's cya later❤️❤️ love Kimberly(Mike, Trent and Aubrae)

“ I will miss you my sweet cousin. I'm so proud of you. You fought so hard but never wavered from your faith in God or your family and friends. I have no doubt you have your tiara on and are having such a great time with Jesus and all of our wonderful family that was there to welcome you. I pray for all the family and friends left here to mourn your loss. Love you so much and will miss you greatly.
