“ I didn't know of Sue's passing until I received my AT&T Pioneers newsletter. Sue was a delight to work with. She was a wonderful person and manager. I'm glad I was able to know her. My condolences to the family. She talked of you all so much, I felt like I knew you. God bless you all.

“ *Sue was a sweet and compassionate woman. She always put others first before herself. I remember the first time I met her during our exercise program she told me I was very thorough and that she could see herself getting stronger. She reminded me of what it felt like to have a grandmother again. Enjoy the view from above. You will be missed dearly.
Love you Ms. Sue!*

This was one of mom's favorite painting. She definitely had the talent for it.
