“ *It would be nice to be filthy rich in this life, but this life is gone like a bolt of lightning compared to eternity in Heaven or Hell. Tommie & I choose Heaven instead of torment in the lake of fire in hell where bible scholars say 85% of the population is going because they don't read the Bible and know what it says you have to do and believe to get to Heaven. Jesusurl dot c will tell you in video #1 exactly how to get to Heaven Guaranteed where you get a new supernatural spiritual body like Jesus and the angels that will have no pain, sickness, or sorrow, never sleep, walk through walls, and fly like a bird, and travel from one place to another in an instant, just by thinking about it. Heaven has gained another sweet soul named Tommie Taylor for all of us to enjoy if you know the truth from the Bible of how to get to Heaven.*
