“ *Donny, you were always here for me. You got me through my darkest moments in life. You were my best friend and godfather to my kids. They love you as much as you did them. You once gave me the shirt off your back to help me out. You were that kind of person. Donny man you are irreplaceable to me and I will always miss you. You kept me going when I wanted to give up and we were always together. You made me put more effort in being a better man and i can not tell you how sorry I am. We took a pic on the 27th and I didn't find out til I made it back to town.*

I love you brother and I will always miss you.

Your best friend,

Vamp (Nathan Trent)
